

Weston Rhyn Primary School School Saver Club

In partnership with

Something to be proud of!

The **Weston Rhyn Primary School** launched in March 2017 in partnership with **FAIRshare Credit Union** & supported by the **Three Parishes Big Local**.

The Club help young people get into the 'savings habit' in a friendly environment & to learn money management skills.

Since its launch **20 young volunteer Officers** have run the Weston Rhyn School Saver Club.

Together they've processed an impressive **507 transactions** at **49 collections** at our school.

Our members have collectively **saved over £2077**. Wow, what an achievement! We are so proud of everyone!

Now on Thursdays

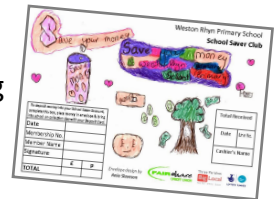

We've moved to Thursday mornings! Our **Weekly Collections** are from **8.30am on a Thursday morning** in

the **school hall**. Please feel free to pop in & see our great team at work!

Competition Time!

Calling all artists! We're looking for a great new design for our **Deposit Envelopes** which our members use every week at our School Saver Club. The current envelopes were designed by Annie Slawson but supplies are running very low. Could you design our new Envelope?

Every pupil is welcome to enter our competition and our favourite design will be printed on the Deposit Envelopes for the next 12 months or until supplies run out.

Its easy to enter! Draw your picture in the box overleaf, complete the form & return to school **no later than Friday 16th November**. Good luck!

Are you a member yet?

We need more members! A number of our regular savers left school in July & we're now looking for new members. Our Club is **open to all children** attending Weston Rhyn Primary School. **Membership is free** & children can deposit any amount - from a few pennies to pounds. To join please complete an **application form** and return it to School.

Our Officers

Our School Saver Club is run by a team of **young volunteer Officers** from **year 5 & 6** under the supervision of Mrs Slawson & Club Co-Ordinator, Sarah Fairclough. FAIRshare providing training & ongoing support.

Our **2018-2019 Team** include Lottie McGuinness-Matthews, George Owen, Jake Mullock, Megan Bolton, Tilda Trimby, James Skirton, Faye Bamford Griffiths & Lucas Wood.

These Officers run the School Saver Club in a professional, efficient & friendly manner & are a credit to their school & the wider community.

Watch our savings!

Each year we have a fantastic **Saver Chart** designed by our Officers. Every time a member saves, they add a 'sticker' to the chart. This year's Saver Chart is a giant **Treasure Chest** which we'll fill with gold coins, rings, bracelets & other treasure! Hopefully, by July it will look as brilliant as the Saver Cake & Fish Tank from previous years!

Keep an eye on the Chart in the school hall & watch our savings grow!

Helping children save & manage money

Deposit Envelope Design Competition

We are looking for a great design for the Deposit Envelopes for your new School Saver Club.

Our favourite design will be printed on the Deposit Envelopes for your School Saver Club for the next 12 months (or until supplies run out).

Please remember - some information must be printed on the envelope, as you can see here. Your design can either leave space for this information, or if your picture covers the whole envelope, the information will be printed on top of your design.

Name

School

Class

Please draw your design in the box below. Please keep your design within the lines, as anything outside the box will not be printed on the envelope.
