Credit Rating Agencies

In order to process your application, we will perform credit and identity checks on you with one or more credit reference agencies ("CRAs"). Where you take banking services from us we may also make periodic searches at CRAs to manage your account with us.

To do this, we will supply your personal information to CRAs and they will give us information about you. This will include information from your credit application and about your financial situation and financial history. CRAs will supply to us information about your public and shared credit (including the Electoral Roll), your current and historical financial situation, as well as information that will prevent fraud.

We will use information to:

- Assess your creditworthiness and whether you can afford to take the product;
- Verify the accuracy of the data you have provided to us;
- Prevent criminal activity, fraud and money laundering;
- Manage your account(s);
- Trace and recover debts; and
- Ensure any offers provided to you are appropriate to your circumstances.

We will continue to exchange information about you with CRAs while you have a relationship with us. We will also inform the CRAs about your settled accounts. If you borrow and do not repay in full and on time, CRAs will record the outstanding debt. This information may be supplied to other organisations by CRAs.

When CRAs receive a search from us they will place a search footprint on your credit file that may be seen by other lenders.

If you are making a joint application, or tell us that you have a spouse or financial associate, we will link your records together, so you should make sure you discuss this with them, and share with them this information, before lodging the application. CRAs will also link your records together and these links will remain on your and their files until such time as you or your partner successfully files for a disassociation with the CRAs to break that link.

The identities of the CRAs, and the ways in which they use and share personal information, are explained in more detail at:

- TransUnion at www.transunion.co.uk/crain
- Equifax at www.equifax.co.uk/crain
- Experian at www.experian.co.uk/crain

Debt Recovery

For the purposes of debt recovery, your details may be passed to a debt collection agency, the Department of Work and Pensions for consideration of deductions through the Eligible Loan Deduction Scheme and or recovery through the court.
